The RDS 81346 app is a free smartphone application that provides direct access to classifications based on the 81346 standard. Classification from ISO/IEC 81346-1, 81346-2, 81346-10 and 81346-12 are also available in the app.

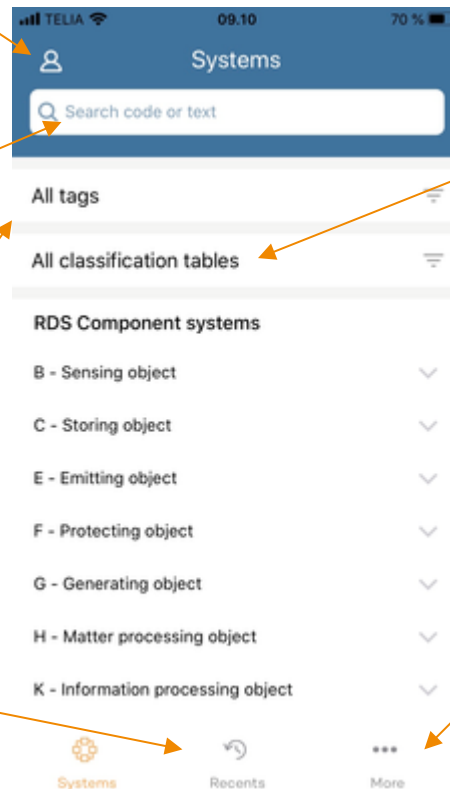

The RDS 81346 is the companion app of the SEC-Hub; the Systems Engineering Concept Hub

1. Download the app from [81346.com/english/rds-81346-app](http://81346.com/english/rds-81346-app)
2. You need to sign up to use the app. Provide your email and enter a password
